

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

Claim 1 (canceled).

Claim 2 (previously presented) An apron for protecting the chest, legs, and feet, said apron comprising:

- a bib;
- leg panels connected to the bib; and
- foot covers connected to the leg panels.

Claim 3 (previously presented) The apron of claim 2, further comprising:  
adjustable traps connected to the bib and leg panels.

Claim 4 (previously presented) The apron of claim 3, wherein the adjustable straps attach to form a neck strap, waist strap, thigh straps, and ankle straps.

Claim 5 (previously presented) The apron of claim 4, wherein the adjustable straps attach with buckles.

Claim 6 (previously presented) The apron of claim 4, wherein the adjustable straps attach by tying.

Claim 7 (previously presented) The apron of claim 1, further comprising:  
straps connected to the feet panels.

Claim 8 (previously presented) The apron of claim 2, further comprising:  
adjustable straps connected to the bib and leg panels.

Claim 9 (previously presented) The apron of claim 2, wherein the apron is made of vinyl.

Claim 10 (previously presented) The apron of claim 2, wherein the apron is made of canvas.

Claim 11 (previously presented) The apron of claim 2, wherein the apron is disposable.

Claim 12 (previously presented) The apron of claim 2, further comprising:  
a pocket attached to the bib.

Claim 13 (previously presented) The apron of claim 2, further comprising:  
a tool loop attached to the bib.

Claim 14 (previously presented) The apron of claim 2, further comprising:  
a pencil holder attached to the bib.

Claim 15 (previously presented) The apron of claim 2, wherein the apron has a design on the bib.

Claim 16 (new) An apron for protecting the chest, legs and feet of a user wearing the apron, comprising:

181

a bib, wherein the bib protect the chest of the user when worn by the user;  
leg panels, connected to the bib, wherein the leg panels protect the legs of the user  
when worn by the user; and  
foot covers, connected to the leg panels, wherein the foot covers protect the feet of the  
user when worn by the user and extend over the toe portions of the feet of the user.
